providing comprehensive art experiences for Southern Arizona. Member, local,
regional and national art exhibitions, performing arts, art and cultural
workshops, a literary review group, cultural travel, an adult choral group,
and arts opportunities for children are all part of the September through May
season. The founding organization, the Santa Cruz Valley Arts Association, was
established in 1963, although groups of artists had been meeting informally since
the late 1940’s. The Center was built, mortgage-free, in 1972 and houses
three galleries with over 3,500 square feet of exhibit space. The 1,200
members include 480 artists. The Center is governed by a board of directors
experienced in the arts, law, education and business management.
